Seminars in SoSe 2022

How to register for a topic

Institute of Labour Economics

Summer semester 2022

How to participate

- join the seminar on StudIP for summer semester 2022
- 2 topic choice opens once StudIP pages are set by the Students Dean Office (Studentendekanat).

How to find the seminar

Use StudIP's search in summer semester 2022

How to choose a topic - step by step

- 1. Sign up for your seminar in SoSe 2022 in StudIP
 - Seminar zur Arbeitsökonomik
 - Seminar in Personalökonomik
 - Seminar Education Economics/Bildungsökonomik
 - Seminar Population Economics

2. Go to participants ("Teilnehmer")

3. Select groups ("Gruppen")

4. Register for the topic that you want to work on (see topics list)

Note: You will have to work together in teams of two, so you may either register together with your partner of choice for a topic or receive a surprise partner. The latter case is closer to a job situation where you have to work together with a person you have not chosen.

5. You are done - Good luck with your work! Viel Erfolg bei der Bearbeitung!
